

Since 2016, we have been the sponsor for My Story Creation, an annual writing and illustration competition hosted by Kids4Kids.

### **Who is Kids4Kids**

A non-profit organisation developed to inspire young people in Hong Kong to take action and make a positive social impact.

### **What is My Story Creation**

A Literacy Development Programme for primary school students that aims to:

- Develop literacy in primary aged school children
- Inspire kids to write and illustrate stories and be a creative storyteller
- Create picture story books by kids to share with and inspire other kids

### **What do the students get**

- Stories uploaded may be viewed around the world and remain so after the competition.
- Students may publish their stories in 12-page booklet format.
- The top 10 stories will be included in The Treasury published by Kids4Kids annually.
- Authors and illustrators of the top 25 stories will attend the prize-giving ceremony.
- All participants will have a certificate.
- Other prizes will be provided by sponsors.
- Winners will have a free copy of The Treasury (worth \$300).
- All stories published in the Treasury will be translated in Chinese and printed alongside the English text.
- Other exposure: our 2016 winners were invited to broadcast their story on RTHK.

### **What do we do**

- Widen students' views and build correct values.
- Polish language skills to bring an idea to life.
- Assist students to think in terms of scenes.
- Bring the scenes to life in completed artwork.
