## Bumper

A fun course built on creative ideas and activities from the award-winning Jolly Phonics Bumper Book, to teach letter sounds using a multi-sensory approach. Very young children are introduced to phonics whilst exploring the world around them.

Activities include:

- Art and craft
- Role play
- Recipes
- Learning sounds, songs & stories

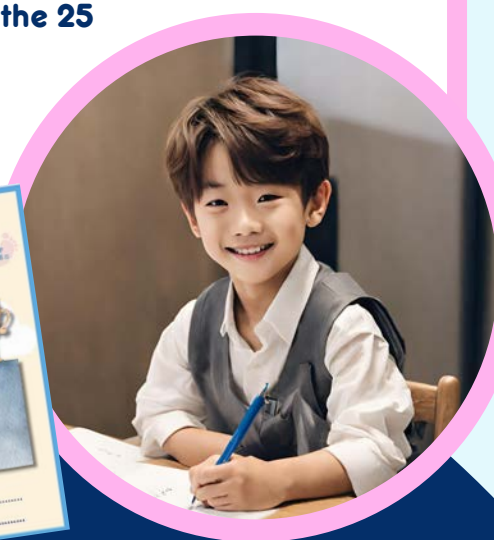

## STEP - Smart Toddlers English Phonics

A 13-hour, feature-packed, course that lead your child to discover the 25 single-letter sounds with Inky Mouse, Spotty Snake & Jolly Bee.

Activities include:

- Learn the 25 single-letter sounds letters
- Enjoy the alphabet
- Letter formation
- Identify sounds in words with pictures
- Mix and match sounds and words

**F**ast track **L**earning for the **Y**oung

# F.L.Y.! Phonics From **ABC** to Infinity

**NEWLY  
UPGRADED**

Dare to FLY!?! Our upgraded phonics programme takes you from phonics to literacy.

- **FLY! STEP** - Discover the 25 phonemes with Inky Mouse, Spotty Snake & Jolly Bee.
- **FLY! Level 1** - From phonemes to blending and segmentation\*
- **FLY! Level 2** - From digraphs to sentence reading and writing\*
- **FLY! Level 3** - From digraphs, magic-e words to comprehension\*
- **FLY! Level 4** - From diphthongs and alternative spellings to composition\*

Highly effective, systematic and time-efficient:

- Evidence-based teaching methods from the United Kingdom
- Backed by 25 years of experience in teaching and training
- Supported by the Jolly Phonics® publisher and authors
- Shared experience with Jolly Phonics trainers in 38+ countries
- Proven results with 50+ local kindergartens

\*Learning objectives are age dependant.  
Please consult our staff for more information.

## Cambridge English

Our Cambridge English course uses a unique approach that encourages continuous progress with a fun and dynamic path to improve their command of the English language.

We highly recommend combining **Cambridge English** with **FLY! Phonics** together to establish a more synergistic and well grounded foundation.
